City Facilities to Close Early Today Due to Severe Weather

(LANSING) – Due to expected severe weather that could make travel extremely hazardous later today, City Hall, 54-A District Court and related city facilities, including community centers, will close at 12 Noon today to allow city employees to get home safely before road conditions deteriorate.

All city-sponsored meetings, events and classes are also cancelled for today and tonight.

Emergency services continue to be available 24/7. Please call 9-1-1 if you have an emergency.

Essential city personnel involved in winter maintenance operations should consult with their supervisor to determine if they are to report to work for afternoon and evening shifts.

The City Treasurer's Office will also close at Noon today. Property tax payments can be made at the drop box located on the Capitol Avenue side of City Hall.

City Hall, 54-A District Court and related city facilities will reopen for regular business hours tomorrow morning at 8 a.m.
